Dear Brothers and Sisters,

Om Sri Sai Ram.

The Sathya Sai International Medical Committee has been blessed by Bhagawan Sri Sathya Sai Baba to conduct medical camps globally to serve needy patients. In Prasanthi Nilayam, International Medical Camps are held twice a year, during Guru Poornima and Bhagawan's Birthday celebrations.

These Medical Camps provide a blessed opportunity for healthcare professionals, Young Adults and general volunteers to participate in various services, including direct patient care for medical professionals and other duties for non-medical volunteers. The next International Medical Camp in Puttaparthi will be held during 6–10 July 2017, with camp setup on 5th July.

In November 2016, an International Medical Camp was organised in Prasanthi Nilayam by 80 Sathya Sai volunteers from USA, UK, Australia, India, Sri Lanka, Dubai, Canada, West Indies, South Africa, Germany and Russia, including 23 doctors. Medical services were offered to more than 6,100 needy patients in various medical specialty areas. Further details may be found in the attached report on the 2016 Birthday Medical Camp.

Serving at these medical camps as a volunteer is a wonderful opportunity to experience Swami's love and His blessings through service to the needy. All doctors and non-medical volunteers who are interested in serving at these medical camps in Puttaparthi may contact the following physicians:
